Collection is usually **2 p.m.**

Return is usually **12 noon**

Handover takes approximately 30 minutes, to familiarise you with your van before you set off. The vans come with a helpful instruction manual that includes everything mentioned on handover.

Please note our insurers require that we take a deposit of £500 (Insurance Excess) upon collection of the van. This can be paid with a credit / debit card, if you do not have either of these methods of payment then it can be paid by bank transfer (cheques or cash are not acceptable). This is cancelled upon return of the van, cost of minor losses and damage is not deducted.

We also offer to cover the Insurance Excess at a rate of £5 per day, so in the event of a claim the hirer would not be liable for the £500 excess.
